

Job Detail

Hyosung T & D Ltd hiring Freshers MCOM FINANCE for 2021 | Pune

About Company

When a new change for the future aims at a better tomorrow everyone dreams and hopes for, the change can have true value. A change with value breathes inspiration into numerous industries and technologies, and a creative company that leads the change presents a better tomorrow faster than anyone. This is what Hyosung considers the most valuable kind of “Creativity.”

Despite having already cemented our position as No.1 in most of our business areas, Hyosung refrains from growing complacent with our domestic achievements and always seeks to challenge ourselves further to grow in the global market. We are deeply aware of our role as a member of our community and strive to become a company that can contribute to society.

- Hyosung Advanced Materials awarded the best grade by CDP for global efforts to cope with climate changes
 - Hyosung ITX Joined Forces with SAP Korea to Deliver Next-Gen Smart Factory Solutions
 - HYOSUNG certified anew as exemplary entity in provision of support for culture/arts
 - Hyosung Heavy Industries to build Korea’s first liquefied hydrogen station in Samcheok
 - Hyosung Advanced Materials, Ulsan City sign MOU for investment in expansion of Aramid factory
 - Signed an MOU with the Linde Group for liquid hydrogen business.
-
