About company

We are inviting YOU, all the brilliant and creative nerds and code-freaks to show your spark! Whether you are a startup or a team of enthusiasts from a college/university, we are eager to welcome you at the event!

Spread over 14 weeks, this IT fiesta aims at prototyping various solutions in the area of mobility and IT. Shortlisted ideas from the submitted entries will get a chance to build prototypes. The best ideas will win a range of exciting prizes!

Note:

Students or Professionals who have done our Internship Training program may apply in the above job.
