Eligibility for Goldman Sachs Summer Internship

The summer analyst role is for candidates currently pursuing a college or university degree and is usually undertaken during the second penultimate year of study.

Duration of Internship

Eight to ten weeks

City:

Bengaluru

Deadline:

Applications for our 2022 program are now open.

Our deadlines vary by school. Please check with your institute's placement cell for specific details.

## **Summer Analyst Internship**

The summer analyst internship is for candidates currently pursuing a college or university degree and is usually undertaken during the second or penultimate year of study. Depending on region, programs last between eight and eleven weeks and are designed to fully immerse you in the day-to-day activities of one of our divisions.

## **Qualification for Summer Analyst Internship**

The summer associate internship is for candidates currently working towards an advanced degree such as an MBA, JD, MD or LLM and is usually undertaken during the second or penultimate year of study. This is a ten-week program with real responsibilities to give you a sense of what you would be doing, day-to-day, as a full-time Goldman Sachs employee.
