

## ABOUT SAPIENS

Sapiens International Corporation empowers insurers to succeed in an evolving industry. The company offers digital insurance software platforms, solutions and services for the property and casualty, life, pension and annuity, reinsurance, financial and compliance, workers' compensation and financial markets. With more than 35 years of experience delivering to over 450 organizations globally, Sapiens has a proven ability to satisfy customers' core, data and digital requirements.

Our portfolio features policy administration, billing and claims; underwriting, illustration and electronic application; reinsurance; and decision management software. Sapiens' digital offerings include customer and agent portals, a digital hub with an API layer and digital studio, and an advanced analytics solution. Sapiens' team of over 2,500 operates through our fully-owned subsidiaries in North America, the United Kingdom, EMEA and Asia Pacific.
