Company Profile

Virtusa Corporation is a leading provider of enterprise class Products and Solutions for Global 1000 companies and leading Independent Software Vendors (ISVs). Based in Westborough, MA, Virtusa employs the finest technology talent in the US, UK, India, and Sri Lanka. Virtusa's client list includes industry leaders across several domains, such as JP Morgan Chase, Vignette, PegaSystems, eDocs , Circuit City, McDonald's, Convergys, Qwest, Lightbridge, Xerox, Siemens and GE.

Product development imperatives are deeply embedded in Virtusa's process framework and institutionalized as best practices. Our process includes a focus on modularity of design, component technology, re-usability, scalability, portability, extensibility, maintainability, and supportability. Virtusa's ongoing success with leading ISVs and enterprise clients has resulted in six years of sequential double digit growth, a roster of impressive client relationships, and a cadre of high caliber employees.

Virtusa is currently a 2600+ strong organization with offices in US, UK, Sri Lanka and India (Hyderabad and Chennai).
