About Yash Technologies

Founded in 1996, YASH started as an IT consulting partner for one of the most recognized brands in the agricultural equipment manufacturing industry.

With steady and planned growth, YASH's vision went global in 2000, with its introduction of offshore operations in Indore, India. Since then, we have grown exponentially and scaled our services globally.

Note:

Students or Professionals who have done our Internship Training program may apply in the above job.
